## **THE FOLLOWING REQUIREMENTS ARE FOR PROFESSIONAL DEVELOPMENT PROGRAMS IN THEIR 2<sup>ND</sup> RENEWAL**

### **Contractual Requirements:**

The program must be licensed by and be in good standing with DHSS, Bureau of Child Care.

The program must have a current license certificate for a Family Child Care Home, a Group Child Care Home, or a Child Care Center issued by DHSS.

The program must be providing services to children who are age eligible.

The program must maintain records and fiscal information as required by the MPP Program Guidelines.

### **Program Development:**

- accreditation fees;
- in state training in one of the three approved curriculum models;
- in state early childhood conferences previously approved by DESE;
- funding match for T.E.A.C.H. Early Childhood® MISSOURI

### **Funding for Professional Development Programs:**

The maximum renewal amount is \$5,000.00.

### **Allowable Costs for Professional Development Programs:**

Materials and Supplies - All materials and supplies purchased with MPP funds must be **directly related to the professional development plan.**

Purchased Services (Including Professional Development and travel associated with Professional Development)- Purchased services include: services rendered by persons not employed by the program (i.e., consultants), their travel and reasonable related expenses, and all other contracted services including travel by employees for professional development, and fees for Missouri Accreditation or NAEYC Accreditation.

Professional Development includes payment of registration costs, mileage, and payment of fees for college credit. **Out-of state conferences and related conference expenses will not be approved.**

Professional Development - Professional development opportunities may include college-credit courses through T.E.A.C.H. Early Childhood ® MISSOURI, follow-up/advanced training of the selected curriculum model provided only by the approved curriculum source, professional conferences, seminars, consultants and DESE required meetings. MPP funds only support professional development opportunities that are in **addition** to the DHSS required hours for childcare

providers. The plan should include a list of the **specific** professional development opportunities to be provided. **Evidence of continuous professional development associated with the selected curriculum model must be included each year in the plan.**

*Professional development opportunities should reflect the general philosophy of the selected curriculum model.*

### **Reporting Requirements:**

Records - Records including the enrollment of MPP participants and other program information such as fiscal records as required by DESE will be maintained and retained for five years. All information contained within this IFB, as well as documentation required of MPP programs, is considered public information and will be included in the programs permanent file and is subject to Open Records request(s).

Audits - The CONTRACTOR agrees to permit DESE or its authorized representatives to observe and evaluate the delivery or performance of the contracted services. This includes access to any books, documents, papers and records of the contractor that are directly related to the MPP audit process.
